USA on National Alert!!!

Military shutdowns and arrests have begun and would continue for the next 13 days through Thurs. 30 June.

Soon all would receive emergency notifications (that could last for several hours) on their phones, TVs, radios and the Internet that would overwrite all other broadcasts.

Marines and National Guard troops will be moved as needed for riots that were expected to begin after release of said information and that included Supreme Court decisions set for announcement on Tues. 21 June and Thurs. 23 June 2022.

The Deep State has planned riots for 40 large cities across the nation.

There will be military operations within those major cities. As such, you were asked not to travel to large cities (especially Philadelphia) for the rest of the month of June 2022.

“We Are Called”

[April 7, 2019 - Music & The Spoken Word \(thetabernaclechoir.org\)](https://thetabernaclechoir.org/)

There is One who will never forget or forsake us, One who watches over all. No matter our status or history. No matter our past, or present. No matter our social standing, or net worth, we have infinite worth to God.

Even when no one else knows what we're going through, He knows. Even when no one else seems to remember us, He remembers.

Once you've felt that, it's impossible to see yourself – or anyone else – in the same way again. Almost instinctively you want to help others feel valued, understood and remembered, too. In that sense each of us has been called to do our part to make the world a little better – one person at a time. We are called to love, to bless and to care about others.

Judy Note: “It should be an "event filled" week. Momentum was building. Soon there would be a Military Manifestation. Watch for (1) Supreme Court Overturning Roe vs. Wade (2) China's Military aggressiveness (3) Durham Revelations. Of course, the Crypto & Wall Street Crash will intensify this week, as well as the general public's mass resistance to the new CDC approval of children (under 5) being vaccinated. Hard to believe, but true! Everything is lining up! Stay Buckled Up!” ...Coach Jerry

A. Mon. 20 June Special Q Forces: “IT'S HAPPENING!”

- **Military shutdowns and arrests begin this week** and will continue for the next 13 days/nights (**to June 30**).
- **Trump has only 13 days** to put this dog to sleep.
- **Some international raids** have already begun.
- **Everyone would get emergency notifications on their phones, TVs, radios and the Internet** for all to see and hear, would overwrite all other broadcasts and could last several hours at a time.
- **A few days ago the FCC reviewed that emergency notification system** and put ALL media on notice that under federal laws they cannot block the flow of information.
- **Don't be afraid of what is coming** because it is for the safety of our nation as this unfolds.
- **DO NOT travel to large cities** (especially Philadelphia) for the rest of the month.
- **There will be military operations** in many of the major corrupt cities. **Marines and National Guard troops will be moved** as needed for the riots that will begin after the national release of information.
- **People were expected to begin rioting** as soon as this information breaks because they believe Trump is a military dictator.
- **Implementation of the Riot Act began after the raid on the Capitol in January** and was marked by Trump's call for people to disband and return home. That broadcast was largely blocked by the media. Nonetheless, his address met the requirements to initiate the law.
- **Trump will be moved** like a pawn continuously to avoid retaliation against Trump and his family.
- **Trump had to exhaust ALL other legal means** before this operation could begin. He gave everyone a fair chance to come clean and they refused.
- **Last January Trump's Press Release** about a "smooth transition" did not include the word "cave" because he has no intention of doing so. Rather, there will be a smooth transition of power to his new Cabinet, staff, and Vice President, General Flynn.
- **Italy** was found complicit in US 2020 Election Fraud.
- **It all started the day after “Biden” fell biking** – a symbolic gesture of the fake Biden presidency, dominos falling and they were burning the White House.

- **Sometime soon you would get seven Presidential Msgs** to your phones before they cut them off. Telegram was having issues and would come down also.
- **It was believed that Ghidra** would burn your computers from the inside. Only hard drives with your photos etc will survive. You are urged to archive everything offline.
- **Q advised to download Signal App.** – a highly encrypted Military App – previously has been used by the CIA. There will be a Military satellite sent up for it, just like the TURKSAT Rocket is a Military Satellite for Military Comms to TV's/Radio's for Europe, Africa, Mid East & Asia.... Whiplash347

B. Global Currency Reset Mon. 20 June MarkZ: A European contact and several Bond Holders were expecting a 1% release of their monies on **Tues. 21 June.**

Reminder: No one, and I mean Absolutely No One knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments – it dependent upon an earth shattering Event such as a Stock Market Crash that would implode the global economy. **The exact deadline** would be decided by the Military out of calculations of their Quantum Computer and based upon concerns for safety of The People. **Trust the Plan.**

D. Barbie & Ken Cromar vs Goliath IRS Update:

Judy Note: Please read this carefully. With Deep State Satan Worshipping authorities in charge of our very corrupt legal system, it could easily happen to you. If you would like to help Barbie and Ken, visit: www.MiraclesInGodWeTrust.com/BarbieandKenvGoliathIRS/

- Barbie & Ken Cromar were falsely accused of "\$1,053,028.65 liability in federal income tax" owed to the IRS.
- After court filings by the Cromars the Commissioner of Internal Revenue has now admitted that the IRS had no legitimate claim over the Defendants Cromar and a Dismissal for lack of jurisdiction was granted.
- Despite the dismissal the Cromars have twice been evicted from their home that they own without a hearing on the matter, been arrested without a warrant, been denied due process, been denied court hearings, been denied the ability to file documents in their defense, been denied the right to call witnesses in their case, yet still face a Trial by Jury scheduled for June 27, 2022 and the potential of being convicted and imprisoned up to 15 years.
- Barbie & Ken had been given a now-void DEFAULT JUDGMENT on February 14, 2019, by the same US District Court that denied them *due process*, a hearing, and trial before its presiding Chief Judge Robert J. Shelby (case #2:17-cv-01223-RJS);
- Barbie & Ken were victimized again by the same court which ordered a US Marshal led SWAT team of at least 13 on June 25, 2019 to remove the Cromars from their land / home of near 30 years.

- Barbie & Ken witnessed the unlawful auctioning off their home on September 10, 2019 to the highest bidder of \$330,000 by Nathan Eddington, a Utah Highway Patrolman (UHP) – who defaulted 30-days later.
- Barbie & Ken were then terrorized by a second SWAT team months later on September 24, 2020. A paramilitary "multi-jurisdictional" 75-man SWAT team terrorized the Defendant Cromar's peaceful neighborhood and included 2 helicopters, 2 MRAPs, numerous snipers, and the arrest (kidnapping) of the Cromars without presentment of lawful Warrant despite numerous requests, false imprisonment (assault), and in Ken's case a second false arrest due to error by the County jail after bail was posted, with neither time being read his Miranda rights.
- Virtually all of Barbie & Ken's earthly possessions, including Ken's professional filmmaking and editing equipment, were stolen from their home and "discarded" in some unknown landfill, reportedly in "at least 7 large dumpsters", depriving the Cromar's of their "papers and effects" in violation of the Fourth Amendment, and their ability to make a living without all of his tools of his trade;
- A Friend of the Court document stated that through constructive fraud and false-swearing, Barbie & Ken face Trial by Jury scheduled for June 27, 2022 and the potential of being convicted and imprisoned up to 15 years, which with Ken at 63 and Barbara at 59 years of age could be the rest of their lives, under false felony claims of "Burglary" of their own home.
- Cromar's filings alleged that for the past 4 ½ years Judge Johnson and County Attorney David O. Leavitt's Office have collectively worked together to deny Barbie & Ken's court filings including those documents acknowledging the IRS errors and statement that "The IRS has no legal claim against the Cromars because they owed no taxes from 1990 through 2020."
- A Friend of the Court Brief pointed out that, "The Community Support Foundation agrees with the admissions by the Commissioner of the IRS and the Chief Judge of the US Tax Court, that (at the time of foreclosure which occurred without a hearing for the Cromars) the Cromars had no lawful tax claim against them, which makes VOID all actions (orders and judgments) against Barbie and Ken by all courts including this one."
- The Friend of the Court Brief stated, "Ironically this is all happening at the same time the national airwaves are filled with news reports of alleged prosecutorial misconduct and investigations into Satanic ritual sexual assaults in Utah County (against Cromar's prosecuting Utah County Attorney David O Leavitt)."
- On Thurs. morning 16 June Barbie and Ken Cromar filed a Criminal Referral in Utah Fourth District Court alleging Treason by Utah County Prosecuting Attorney David O. Leavitt for fraudulent court actions against them over the past four and a half years that included 15 case filings, 14 of which were not even granted hearings.

- Of note was that in a recent Press Conference, Prosecuting Attorney David Leavitt admitted he was presently under investigation for Satanic Ritual Abuse by the Utah County Sheriff's Department.
- In the Friend of the Court Brief the Cromars asked the court to launch an investigation into what appears to us a weapon-ization of the powerful IRS machinery launched by fraudulent 'anonymous' claims of 'tax fraud' against the Cromars, by their political enemies from Cromar's years on the Cedar Hills City Council and after, wherein he led groups of Cedar Hills neighbors in researching and GRAMA requesting public records, and exposing the entrenched corruption surrounding misuse of taxpayer money, particularly with the ongoing failed Cedar Hills golf course. www.CedarHillsCitizens.org

I. Covid/ Monkey Pox/ Vax Hoax:

- **Dr. Naomi Wolf:** The Media and the FDA Are Complicit in Mass Murder. "You've got to understand that these entities are not responsible to the American people anymore.

They're wholly-owned by entities like Pfizer, which is a global corporation with close ties to China."

- **New study from Israel** shows that 150 days post jab, sperm concentration was significantly reduced on a permanent basis – no recovery.
- **mRNA vaccines are destroying people's immune system.** It's happening at a gradual stance over time and especially with the double vaccinate between 40 and 70 years old who have already damaged over 40% of their immune system and were losing an additional 5% every week. At this rate by Christmas they will have zero percent Immune system capability (in all double vaccinated people over 40 years old). By March everyone over 30 will have lost their immune system as well. Those 30 and younger are already seen degrading of their immune system.
- **Dr. Ryan Cole, a Pathologist**, has conducted over 100 thousands COVID-19 lab tests , has also found the mRNA vaccines are causing severe auto immune disorders. Dr. David Bauer, a top world virologist also confirms Pfizer Vaccines destroying the immune system after two shots.
- **Police and Sheriffs** were rising against the vaccines and mandates. Many have quit because of forced vaccines mandates and were banding together.
- **Hundreds of thousands of Doctors** across the World were speaking up against the mandates. Nurses are coming together and creating forces to sue the government for vaccines mandates.
- **Soldiers and veterans** were coming together and taking legal action against the tyranny, vaccines and passports.
- **Pilots worldwide** were defying the mandates: see the number of flights cancelled because of loss of personnel.
- **Several sectors of shipping and delivery services workers** were banding together to defy the mandates and vaccine passports.

- **Law suits into the hundreds of millions** have been filed against the governments and health care organizations across the world for illegal firings, forced mandates, emotional distress, ect.
- **MIDAZOLAM:** the story was far from over, the NHS are administering Half a million doses per year. A conspiracy against the British people to euthanise and inflate the numbers. 27 months of Midazolam was used in 9 months of 2020, patients were given up to 10X the recommended dose which was lethal. The same dose given on death row.

J. White Hat Intel: Inside the Storm of the Century

- **Thurs. 16 June Russian Ministry of Defense Release on US Biological Activity in Ukraine**, accusing Barak Obama, Joe Biden, Hillary Clinton, George Soros and the Democratic National Committee of facilitating the biological weapons network in

Ukraine and globally. <https://bioclandestine.substack.com/p/russian-ministry-of-defense-release>

- **How do you expose the Deep State** inside the Pentagon – CIA – UN – NATO Deep State Generals, Colonials, US and world private Military rogue contractors?
- **Putin knew 10s of thousands of U.S. Military** were in Ukraine illegally training and arming their Military & militias.
- **Trump, Xi, Modi, Bin Salman, Putin** all knew the Deep State Military in the US was arming Ukraine and Kazakhstan while training for the ultimate aim to attack and take Russia. (This has always been the goal of the third, now the fourth Reich, WEF, World Banks Cabal).
- **Several assassination attempts by the Deep State on Putin, Trump, Xi, Modi and Bin Salman have all failed.**
- **What's happening in Ukraine is that Putin knows he is fighting against US forces** and high grade Military Technology. Putin isn't stupid. He knew he was going into war against the U.S. military. But he also knew this was the Deep State Military Operations that were controlled by the same fractions that infiltrated the Russian Military, which has now been cleaned to the highest degree of any major military force on earth.
- **So how do you expose the Deep State Pentagon – CIA – UN – NATO?** You bring them all into the brink of a World War, and then you collapse the fiat monetary system.
- **When the money is gone that rats in the Pentagon – CIA – FBI – NATO,** ect jump ship and lose their protection, collapsing their system.
- **The White Hat double agents/ moles/ infiltrators** in Deep State ops were destroying their operations from the inside out. From the outside you destroy the world Ukraine money laundering scheme.
- **There was major panic in the houses of the Pentagon, CIA, FBI Three Letter agencies.**
- **Expect more drops through the Mainstream Media to continue.** They are losing ground and infiltration of the Deep State MSM by the White hats will be apparent soon.
- **There will be no EBS till after the World Riot's and collapse.** Humans-sheep-normies must feel like they are taking the world, streets, governments back after the collapse and after all the pain was exposed – the darkness they never knew they lived, the world corruption they sat in.
- **The Russian forces are fighting in a Cauldron style** of fighting or pocket fight. They find pockets of Ukrainian forces, munitions and supplies an surround them and slowly attack.. This maneuver saves lives of civilians at the same time and Russian forces are bussing out the Ukrainian civilians. But unfortunately in this military maneuver the Russians are taking heavy losses.
- **Russia was not tearing up Ukraine as Deep State Media reported.** This style of **Attack** was the only way to save the Ukraine country, buildings, and not tear it apart and have heavy collateral damages... And the same time civilian lives are saved and spared.

- **Russia was expected to expose the underground BIOLABS and tunnels that housed tens of thousands of children** from different countries, including more than half being Asian decent children.
- **In videos circulating Russian soldiers** are carrying out children who are dirty and haven't seen light in years, but the kids are holding NEW teddy bears and stuff animals that was given by the RUSSIAN military – who obviously EXPECTED to find the tens of thousands of children in the D.U.M.B.s
- **What's happening in UKRAINE and what's found in the underground labs** are reported DARK SCIENCE STUDIES OF MIXING HUMAN DNA WITH ANIMAL DNA AND CREATING SUB- HUMAN MONSTERS. Through the Years around the world half human half and half animals beings have been found along coastlines in New York, Australia and several other places.

K. Laptop from Hell, White Hat Intel: 450GB on it's way to be released

- **A whistleblower who's fled the United States** for Switzerland has vowed to drop '450 gigabytes of deleted material' from Hunter Biden's abandoned laptop, which he says he also gave the the Washington Post, New York Times, and Sen. Chuck Grassley - all of whom he says sat on it for months.
- **For the past two weeks, former Steve Bannon War Room co-host Jack Maxey** has been hiding in Zurich, where he told the Daily Mail he's been working with IT experts to dig more data from Hunter's 'laptop from hell,' and that he'll post it all online in a searchable database in the coming weeks.
- **Maxey says the data includes 80,000 images** and videos, and more than 120,000 archived emails. "I came here so that we could do a forensic examination of Hunter's laptop safely in a country that still respects human liberty and the ideals of liberal democratic principles," he told the Mail. "I do not believe this would have been possible inside the United States. We had numerous attempts on us from trying to do things like this there."
- **Maxey said that after contacting DailyMail.com** about the laptop last year, black suburban SUVs appeared outside his house, and former US intelligence officer friends he shared copies with told him they received strange calls. 'I showed this to a friend of mine in desperation in February [2021] because nobody would listen to me. No news organizations would take it. In fact, the very first major news organization to take it was the Daily Mail,' he said. 'Very dear friends of mine, the sharp tip of the spear, were making welfare calls to me every day, basically to see if I was still alive.'
- **One former intelligence agency senior staffer allegedly told Maxey** after he received the hard drive two years ago "If you don't release enough of this, so that they know you can release all of it, I'm telling you brother, you're a dead man." After receiving this advice, he began posting caches of emails and other material from the laptop on various file sharing sites - only to find the links removed within an hour.

- **"There were five drop boxes: two in the United States, one in New Zealand, two in the UK.** All the same drop boxes in which they tell us child pornography is shared around the globe without any consequence because they can't look at it," he said, adding: "These are all Five Eyes countries, English speaking countries in an intelligence sharing agreement. And they were all ripped down."
- **So this means that our intelligence services, who still have not even acknowledged that they have Hunter Biden's laptop,** were obviously diligently doing cache searches across the internet to find out if any of this stuff was being released. That should terrify every single decent person in the West."
- **According to Maxey, he went to Switzerland** because they are home to the only file sharing site that didn't nuke the laptop files - The former Bannon podcast co-host said he is livid at the FBI, who he believes slow-walked their investigation into Hunter and failed to enter the laptop they received from Mac Isaac into evidence for months.
- **According to the New York Times,** files from the laptop are now part of the evidence in Hunter's federal prosecution for alleged tax fraud, money laundering and illegal foreign lobbying.
- **Among the files on the laptop are a raft of emails and documents** showing Hunter's dealings with Burisma, a Ukrainian gas firm that became the center of Trump's first impeachment in December 2019.
- **The then-president was accused of pushing Ukrainian president Volodymyr Zelensky** to announce investigations into the Bidens and Burisma for alleged corruption.
- **"The FBI had this on the ninth of December 2019,"** said Maxey. "I suppose the first person betrayed was a sitting US president in an impeachment hearing, when the FBI had the exculpatory evidence in their hands to have that end instantly, and they did nothing."

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

O. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Q. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
